# FACT: Successful treatment doesn't require a beach.

*Rest assured, your clients will enjoy a comfortable, homelike atmosphere. No beachfront access, but high-quality, focused treatment.*

*The Ridge in southern Ohio offers what works:*

- *Physician directed 12-Step treatment in an intimate setting*
- *Focused treatment, with only 14 beds*
- *Specializing in treating executives and licensed professionals*
- *Accepting most insurance plans on out of network basis*

*Your clients and families trust you to make referrals that will best serve their needs... and, yes, gorgeous views.*

No sand.
