Why Choose The Ridge?

- Ambulatory adult male or female with any substance use problem.
- Addictionologist, psychiatrist, and trauma-informed therapist.
- Multiple modalities, including CBT, DBT, trauma, music, and art therapy.
- Extensive recreation and exercise encourages sober fun.
- 16 beds create a low staff to client ratio and more intensive treatment.
- Residential substance use treatment and aftercare.
- Healthy, nutritious, and hearty meals crafted by two on-site chefs.
- Monthly meetings for active alumni participants.

The Ridge is the Midwest's premier substance use treatment program

The Ridge program is located in a 16-bed residential facility located in Batavia, Ohio. The Ridge program is for clients who desire premium clinical care in a serene, comfortable setting. Clients enjoy private or semi-private rooms and inviting common areas, as well as receive the benefits of multiple exercise options, sauna, outdoor swimming pool, and a stocked fishing pond. An on-site chef creates nutritious meals daily. The goal for each client is wholeness: mind, body, spirit. The Ohio Physicians Health Board has accredited The Ridge physicians to perform 72-hour substance abuse evaluations for impaired professionals.
